The topics assigned to me (all except one) are all disease state topics and not technique or technology topics. So, there will be no specific named technologies discussed. I will be presenting the topic - "Varithena® VLU Registry: The Effects Of Polidocanol Endovenous Microfoam On Wound Healing And Recurrence." This is a product made by Boston Scientific and I do not have any conflict, since I do not have any consulting arrangement with Boston Scientific. Also, I do not own stock or other investments in any medical companies.
